### **About the Major**

The Bachelor of Fine Arts (B.F.A.) in Theatre is a professional degree for students interested in pursuing a career as an actor, director, and/or theatre technician/designer. The program is defined by an experiential, collaborative curricular model that promotes discipline and artistic agency through broadbased foundational learning that encourages critical thinking, creative problem-solving, and risk-taking at all levels, from introductory to advanced coursework. The results are refined skill sets that prepare students to be successful theatre professionals across all areas of the entertainment industry. Admission to the program is available by audition only (https://ysu.edu/ccca/university-theatre/admission/).

The co-curricular theatre season (https://ysu.edu/ccca/university-theatre/onstage/) includes four mainstage productions, and all B.F.A. Theatre students are required to audition and participate. Additional performance opportunities are made possible through semi-annual cabarets, the annual Festival of New Work, and An Evening of 10-Minute Plays. Performance opportunities focus on students and their professional growth in real-world situations. In addition, all B.F.A. Theatre students complete a senior capstone in which they meet with their instructor individually, as well as in small groups, to facilitate deeper discussion and refine and prepare their final showcase material for performance. Our students routinely win coveted internships and seats in acclaimed workshops—including those with Netflix, the Open Jar Institute, Disney's Animal Kingdom, the London Academy of Music and Dramatic Art, Cedar Point, and others—and perform and win awards at the Kennedy Center American College Theater Festival (KCACTF).

Our alumni (https://academics.ysu.edu/cliffe-college-of-creative-arts/alumnigiving/) may be seen regionally, nationally, and internationally across the theatre and entertainment industries. Our graduates are found on stage and screen—from Tony Award-winning Hadestown to Days of Our Lives—and receiving nominations and awards from The Tonys to The GRAMMYS®. Our dynamic programs also empower our alumni to become successful directors, designers, choreographers, and more at the national level, including at the Great Lakes Theatre Festival and similar venues. Our students hone their artistic and technical abilities and also develop a range of other valuable transferable proficiencies. They earn degrees in areas about which they are passionate, and their skills are applicable to careers (https://ysu.edu/ccca/university-theatre/careers/) in numerous professions across the theatre and entertainment industries and more.

## **Learning Outcomes**

- 1. Public Performances: Students demonstrate competence in the creation and presentation of public theatre events as performers and demonstrate the ability to act, i.e. to project one's self believably, in work and action, into imaginary circumstances and roles in a wide range of styles and formats.
- 2. Knowledge of History and Cultural Dimensions: Students demonstrate knowledge of the history and cultural influences of and upon the institution of theatre throughout the ages.
- 3. Informed Assessments of Quality: Students demonstrate the ability to critically evaluate works of theatre.
- 4. Critical Thinking: Students demonstrate the ability to define a desired goal in creating a work of theatre and find solutions to achieve that goal.
