About the Major

The Bachelor of Music (B.M.) in Music Education (http://catalog.ysu.edu/ undergraduate/colleges-programs/college-creative-arts-communication/ school-music/music-education/), Choral program provides hands-on experience at all levels that allows students to specialize in idioms that focus on choral and vocal music, including concert choirs, musical theatre, jazz and pop, contemporary, commercial, and chamber ensembles, and more. Through an interactive curriculum that includes courses from the Dana School of Music and YSU's Department of Teacher Education—along with extensive field experiences in local schools—choral music education students develop into reflective and passionate music educators. Teaching candidates from the Dana School of Music are dedicated to becoming culturally responsive music educators, reflective practitioners, and advocates for the arts who are informed by student-centered pedagogical practices, creativity, and a broad understanding about music and music education in society.

 All undergraduate music majors are required to attend 12 approved performances each semester for six consecutive semesters beginning in the freshman year.

Applied lesson must be taken concurrently with an ensemble each semester.

Learning Outcomes

The student learning outcomes for the major in music are as follows:

- · Students will perform a public recital in their applied area.
- Students will analyze music, discriminate pitch, harmony, and rhythm, and perform harmonic progressions at the piano.
- Students will demonstrate critical thinking about the various historical periods, cultural contexts, and social forces that influence musical activity.
- Students will demonstrate basic keyboard proficiency, including scales, arpeggios, harmonization, repertoire, transpositions, and score reading.
- Students will demonstrate effective planning, teaching, and assessment appropriate to K-12 students in music settings.
