FINANCIAL AID, SCHOLARSHIPS, AND AWARDS

Youngstown State University has a comprehensive program of financial assistance which includes scholarships, grants, work-study, and loans. Most of these programs are administered by the Office of Financial Aid and Scholarships.

Links to the following resources are conveniently located at the Office of Financial Aid and Scholarships’ website Financial Aid and Scholarships (http://www.ysu.edu/content/office-financial-aid-and-scholarships).

1. **Free Application for Federal Student Aid (FAFSA):** A common form used to apply for federal and state need-based grant aid and student loans.
2. **Youngstown State University Scholarship Search:** An online search engine to locate and apply for YSU-specific scholarship funds offered through the Youngstown State University Foundation.
3. **Youngstown State University Foundation Scholarship Application:** An online form application which, upon completion, considers students for a number of scholarships awarded through the YSU Foundation and its donors.

All YSU applicants for admission, or current students, seeking financial assistance through the Free Application for Federal Student Aid (FAFSA) should apply no later than December 1 for new students and February 15 for continuing students. Students interested in applying for institutional grants and scholarships should adhere to those individual deadlines as noted on their respective applications.

For maximum consideration, both new and continuing students are encouraged to meet priority deadlines in applying for financial aid.

Scholarships

Scholarships are gift aid awarded to students on the basis of superior academic performance or talent, other specific criteria as set forth by the individual donor, and/or on the basis of financial need. Scholarships do not have to be repaid. Amounts may vary depending on the academic ability, financial need, and/or the current state of funding or endowment support for the scholarship. Scholarship funds have been established at YSU by individuals, corporations, clubs, and both religious and fraternal organizations. In addition, the Youngstown State University Foundation administers endowments which provide substantial funding for numerous scholarship programs at Youngstown State University, including the Scholarships for Excellence program.

Scholarships awarded to current Youngstown State University students are based on the student’s academic record, character, and/or financial need. Scholarships for incoming freshmen are awarded on the basis of high school academic record, grade point average (GPA), scores on standard college entrance examinations, and in limited situation, class rank. Scholarship applicants are considered for all scholarships appropriate to their aims and interests.

To be considered for scholarships, students should complete all appropriate forms by their established due date each year. To search a complete listing of scholarships, visit the office website (http://cfweb.cc.ysu.edu/finaid). Additionally, students seeking consideration for need-based scholarships will also need to complete a Free Application for Federal Student Aid (FAFSA) found at fafsa.gov (https://fafsa.gov).

Students are also encouraged to explore these supplemental options for scholarship resources:

- Their particular college or department for academic specific scholarships
- Student’s and/or parent(s)’ employer for scholarships or fee remission opportunities
- Local community resources for scholarship programs, such as church organizations and libraries
- Free internet web searches through sites such as Fastweb (http://www.fastweb.com) or FinAid (http://www.finaid.org)

Scholarships for Excellence

Please check with the Office of Financial Aid and Scholarships for the most current scholarship information.

Scholarships for Excellence are awarded by the University and largely funded by the YSU Foundation. The YSU Foundation, with an endowment of over $212 million, is committed to providing the “edge of excellence” for the University, providing more than $8 million in scholarship assistance annually for YSU students. These Scholarships for Excellence are awarded to eligible new high school graduates, transfer students, and current students. Current and transfer students will automatically be considered for these scholarships. In addition, incoming freshmen should apply for admission by February 15 to be considered for these scholarships automatically.

**Please note:** Undergraduate Scholarships for Excellence guidelines are subject to change. Students cannot be awarded more than one scholarship through the Scholarships for Excellence program.

Grants-in-Aid

Grants-in-Aid are gift monies that do not need to be repaid. The amount of grant aid awarded is determined by the recipient’s financial need and/or academic record and character. The following is a list of Grant-in-Aid funds a student could potentially qualify to receive:

- **Federal Pell Grant:** A need-based federal grant provided to eligible undergraduate students pursuing a first bachelor’s degree or associate’s degree. A FAFSA must be filed yearly to be considered for this grant.
- **Federal Supplemental Educational Opportunity Grant (FSEOG):** A need-based grant funded by the federal government and awarded by YSU. Students who meet the eligibility requirements for the Federal Pell Grant, and meet the priority filing deadline of December 1 for new students and February 15 for continuing students, receive primary consideration for this campus-based aid program.
- **Ohio College Opportunity Grant (OCOG):** Grant funds awarded by the State of Ohio to full-time, undergraduate students who are residents of Ohio and who are pursuing a first bachelor’s degree or associate’s degree. Eligibility is based on family income. The FAFSA must be completed by October 1 of each year to be considered for this grant.
- **Pennsylvania Higher Education Assistance Award (PHEAA):** Grant funds provided to Pennsylvania residents who are YSU students. Students may be full-time or half-time undergraduates enrolled in an approved program of study requiring at least two years to complete. File the FAFSA by May 1 of each year to be considered for this grant.
- **YSU Foundation PHEAA Supplemental Grant:** Due to the legislative cap on Pennsylvania grants to Pennsylvania residents attending Ohio universities, YSU has initiated a supplemental grant program funded by YSU and the YSU Foundation. This grant will be automatically awarded to YSU students who are awarded and eligible to receive a PHEAA grant. The supplemental grant will be awarded in amounts up to 200% of the PHEAA grant, subject to availability of funds.
• **Veterans’ Administration Education Assistance**: The Department of Veterans’ Affairs provides education assistance to veterans or current armed service personnel. Programs include contributory plans, rehabilitation benefits, work-study, and dependent/spousal benefits. Contact the Office of Veterans Affairs at (330) 941-2503 or toll-free at 888-GI-BILL1 (888-442-4551).

• **Bureau of Vocational Rehabilitation Awards**: Programs funded by the Bureau of Vocational Rehabilitation in Ohio (BVR) and the Office of Vocational Rehabilitation in Pennsylvania (OVR) that provide grants for tuition, fees, and/or books for students with disabilities. Eligibility is determined by each state’s Bureau.

• **Ohio War Orphans**: Grant funds for children of disabled or deceased U.S. Armed Forces veterans. There is a needs test required, the student must be an Ohio resident attending an Ohio college or university, and be under the age of 25 upon application. The grant pays a percentage of tuition and fees. For additional information, contact (614) 752-9528.

• **Ohio National Guard**: Provides grants paying for 100% of instructional and general tuition fees for members who are full-time undergraduates. Apply through the National Guard. Pay close attention to deadlines. For additional information, contact (614) 336-7053

**Employment**

To assist in paying for educational and living expenses, currently enrolled students in good standing may apply for on-campus employment. On-campus employment opportunities are posted in the Office of Student Success, outside of the Office of Financial Aid and Scholarships, or online (http://www.ysu.edu/administrative-offices/student-employment/current-student-employment-openings). Students are encouraged to check regularly for open positions.

**Federal Work-Study** is a need-based program that provides eligible students with funding for on-campus employment. Federal Work-Study students receive paychecks for hours worked and may utilize those funds toward educational and living expenses. To receive maximum consideration for this campus-based program, the FAFSA must be filed by the priority deadline of December 1 for new students and February 15 for continuing students with the student having answered “yes” to the question “Are you interested in being considered for work-study?” on the application.

**Loans**

Loans are a form of self-help financial aid utilized by many students to help meet educational expenses. Borrowing responsibly is key as many loans have borrowing limits, accrue interest, and must be repaid.

• **Federal Direct Subsidized and Unsubsidized Stafford Loans**: The federally funded Subsidized Stafford Loan has its interest paid while the student maintains at least half-time enrollment. Federal Unsubsidized Stafford Loan interest accrues from the time the loan is first disbursed. (Note: Graduate students are only eligible for unsubsidized loans.) For a list of the most current interest rates on Stafford Loans, please see the the Federal Student Loan (http://www.ysu.edu/content/office-financial-aid-and-scholarships/student-loans) page on the Office of Financial Aid and Scholarships website. Repayment of both types of Stafford Loans begins six months after graduation, separation, or enrollment of less than half-time. Student borrowers cannot exceed their designated annual loan limits and maximum total debt allowed by federal law (see the Office of Financial Aid and Scholarship’s website (http://www.ysu.edu/content/office-financial-aid-and-scholarships) for more information).

• **Federal Direct PLUS Loan**: This federally funded loan is for the parents of dependent, undergraduate students who are potentially eligible to borrow based on their credit-worthiness. Parents interested in this loan option should log into www.studentloans.gov (https://studentloans.gov/myDirectLoan/index.action) and complete the Parent PLUS Loan application for consideration. Repayment of the Federal PLUS Loan generally begins sixty days after the final loan disbursement of each academic year. Current interest rates on the Federal Parent PLUS loan can be found on the Federal Student Loan (http://www.ysu.edu/content/office-financial-aid-and-scholarships/student-loans) page of the Office of Financial Aid and Scholarships website.

• **Federal Direct PLUS Loans for Graduate and Professional Students**: This federally funded loan is available to students who are enrolled in a graduate or professional program (a program that leads to a master’s or doctoral degree) and who have reached their annual Stafford Loan limit. Additional requirements include minimum half-time enrollment and good credit history as a credit check is required for approval. Repayment will begin within sixty days of the loan reaching full disbursement. Current interest rates on the Federal Direct PLUS Loan for Graduate and Professional Students can be found on the Federal Student Loan (http://www.ysu.edu/content/office-financial-aid-and-scholarships/student-loans) page of the Office of Financial Aid and Scholarships website.

• **Federal Perkins Loan**: This federally funded loan has an interest rate of 5% which is subsidized by the federal government while the student is enrolled at least half-time in school. Students must meet the Perkins Loan eligibility criteria, have exceptional financial need, and be enrolled in an eligible program. Repayment of the Perkins Loan begins nine months after graduation, separation, or enrollment of less than half-time status. Awards are subject to availability of funds and issued on a first-come, first-serve basis.

Part-time Students

Aid is available for part-time students, though the amount of part-time aid and the types of aid available vary. Be sure to file the FAFSA by December 1 for new students and February 15 for continuing students for maximum consideration. It is also recommended to check directly with the Office of Financial Aid and Scholarships to discuss how part-time attendance can ultimately affect a student’s overall financial aid eligibility.

**Federal Verification**

Students selected for verification are required to submit certain documentation to the Office of Financial Aid and Scholarships. Students should submit this requested documentation as soon as possible so that the processing of financial aid is not delayed. Even if the student initially applies on time, any delay in processing due to verification could result in that student not receiving financial aid that they may have otherwise been eligible to obtain. Processing typically takes up to 3 weeks, but can take longer during peak processing periods.

Keep copies of all tax forms, tax return transcript(s), and W-2 forms each year, as well as any documents or forms submitted to the Office of Financial Aid and Scholarships.

**Submitting Tax Information**

There are two ways to provide your tax information for the verification process:

1. Use the IRS Data Retrieval Tool provided on the FAFSA (recommended)
2. Provide a copy of your IRS Tax Return Transcript

Tax return transcripts can be ordered by calling 1-800-908-9946, or online (https://www.irs.gov/individuals/get-transcript.html).

**Special Circumstances**

If a student and/or their family have unusual circumstances that have occurred during the academic year, such as excessive medical expenses or a loss in income, contact the Office of Financial Aid and Scholarships to discuss the situation with a counselor.

**Satisfactory Academic Progress (SAP) Policy**

Federal regulations require that Youngstown State University review the academic progress of students annually, whether they are a previous aid recipient or not. The purpose of this review process is to measure whether a student is making satisfactory progress towards his or her educational
goals. The following federal programs are affected when a student is not in compliance with the Satisfactory Academic Progress Policy:

**Federal Pell Grant**

**Federal Supplemental Educational Opportunity Grant (FSEOG)**

**Federal Work-Study Program**

**Federal Perkins Loan**

**Federal Stafford Loans (subsidized and unsubsidized)**

**Parent PLUS Loans for Undergraduate Students**

**PLUS Loans for Graduate Students**

State grant programs such as the Ohio College Opportunity Grant (OCOG) and the Pennsylvania Higher Education Assistance Award (PHEAA) are not governed by the federal Standards of Academic Progress, but rather, by the respective state.

YSU’s Satisfactory Academic Progress requirements for undergraduate and graduate students include the following three components:

1. **Grade Point Average (GPA)**
   
   All students at YSU are required to maintain a minimum cumulative grade point average. To be considered in good academic standing, a student must have a 2.0 GPA. Graduate students are required to maintain a 3.00 GPA. The following grades are included in the GPA calculation: A, B, C, D, and F. The GPA calculation excludes the following grades: CR-Credit, NC-No Credit, AU-Audit, I-Incomplete, and W-Withdrawal. For Incompletes (I), the credit hours apply to the term the student was enrolled, not the term the student was making up the Incomplete.

   *Students academically suspended cannot receive federal aid during the period of suspension.*

2. **Max Time Frame**

   When a student’s attempted hours reach 150% of the maximum hours needed to complete an associate (109 hours) or bachelor’s (217 hours) degree, federal financial aid eligibility will be suspended unless the time frame is extended with an appeal accompanied by an Academic Advisor Evaluation. Graduate degrees must be completed by the length of time standards established and monitored by the College of Graduate Studies.

3. **Percentage Completion**

   1. **Freshmen** undergraduate students (0-29 credit hours earned) must complete a minimum of 55% of the total hours attempted each year;
   2. **Sophomore** undergraduate students (30-59 hours earned) must complete a minimum of 60% of the total hours attempted each year;
   3. **Junior** undergraduate students (60-89 hours earned) must complete a minimum of 65% of the total hours attempted each year;
   4. **Senior** undergraduate students (90+ hours earned) must complete a minimum of 70% of the total hours attempted each year;
   5. **Graduate** students (13+ grad hours attempted) must complete a minimum of 50% of the total hours attempted each year.

   Percentage completion will be calculated by dividing completed hours by attempted hours. For federal financial aid Satisfactory Academic Progress purposes, attempted hours exclude audited hours and withdrawals made by the last date to receive a 100% refund. The following grades negatively impact the percentage completion calculation: F-Failed, NC-No Credit, AU-Audit, I-Incomplete, and W-Withdrawal. For Incompletes (I), note that the credit hours apply to the term in which the student was enrolled in the course, not the term the student was making up the Incomplete.

Transfer Students

Transfer students will be eligible for federal aid through the spring semester of the academic year they begin at YSU. During the spring semester, these students will be evaluated under the Satisfactory Academic Progress Policy. Transfer hours will be included in the number of hours earned and attempted, but only YSU grades enter into the GPA calculation.

**Non-Degree Students (undergraduates, post-undergraduate, and graduate)**

A student must be enrolled in a degree program to receive federal financial aid.

**SAP Appeal Process**

If a student is non-compliant, he/she must appeal the denial of financial aid by submitting an appeal form that explains the circumstances. Supporting documentation may be required. Appeals will be evaluated by the Satisfactory Academic Progress Appeal Committee which will respond in writing with the decision within 30 days.

The decision made by the Satisfactory Academic Progress Appeal Committee is final. The Satisfactory Academic Progress Committee may also cite and deny students who exhibit a pattern of federal student aid abuse. Federal regulations require students who successfully appeal to be placed on a semester-based Financial Aid Probation and Academic Progress Plan. The terms and conditions of the Academic Progress Plans must be met in full to continue to receive federal aid for future semesters by the conclusion of the probationary semester.

Students who do not appeal, or who are denied by the Committee, will not be eligible for federal financial aid programs. Students will remain denied until their academic record is once again in compliance with the Satisfactory Academic Progress Policy. To attain compliance, students must attend school without federal financial assistance while clearing their Satisfactory Academic Progress. When reinstatement is granted, a student may be considered for those financial aid funds available at the time.

This policy is effective beginning with the 2011-2012 aid year.

**Financial Aid Refund Policy**

The refunding of financial aid funds to the appropriate funding source corresponds to federal regulations, the Return to Title IV fund requirements, and YSU’s refund policy regarding student fees upon withdrawal from class(es). For additional information, please see the section titled “Reduction/Refund of Fees and Charges Upon Withdrawal” within the Tuition, Fees, and Charges section of the catalog.

**Commonly Used Financial Terms**

**Cost of Attendance (COA):** The total cost of attending school for one academic year, including direct costs (tuition, fees, room, and board) and indirect costs (books, supplies, transportation, and additional miscellaneous expenses).

**Expected Family Contribution (EFC):** The amount that a student and their family will be expected to contribute toward educational expenses, as determined by the federal government, based on the information supplied on the FAFSA. For more information regarding the formula used to determine the EFC, go to the “How Aid is Calculated” section of the Federal Student Aid website (https://studentaid.ed.gov/sa/fafsa/next-steps/how-calculated). Information on EFC calculations can also be obtained by calling 1-800-4-FED-AID.

**FAFSA (Free Application for Federal Student Aid):** A common form found online at fafsa.gov (https://fafsa.gov) that a student (and parents when applicable) complete in order for the federal processor to determine the student/family EFC. The EFC is then used by YSU to determine a student’s overall financial need. FAFSA must be completed each year in order for a student to be considered for loans, grants, and certain scholarships.

**Financial Aid:** All forms of financial assistance which include gift aid (scholarships and grants), as well as self-help aid (work programs and loans).
Financial Need: The difference between the Cost of Attendance and the Expected Family Contribution.

Gift Aid: Aid, usually in the form of scholarships and grants, that does not have to be paid back.

Grant: Gift aid awarded to a student on the basis of financial need, and in some cases, academic performance and character. Grants do not have to be paid back.

Scholarship: Gift aid awarded on the basis of academic performance, talent, other unique criteria as established by the donor/organization, and/or financial need.

Subsidized: A subsidized loan is a need-based loan in which the government pays the interest while the student is enrolled at least half-time in school.

Verification/Documentation: The process by which YSU confirms the accuracy of the information supplied on FAFSAs each year as required by federal regulation. If a student is selected for verification/documentation, they (and their parents when applicable) will be asked to supply the Office of Financial Aid and Scholarships with additional information and copies of documents such as W-2’s and federal tax return transcripts.

Unsubsidized: An unsubsidized loan is not based on financial need. The borrower is responsible for all interest that accrues.
