

ACCELERATED ONLINE PROGRAMS

Through our accelerated online programs in a variety of disciplines, students can earn the degree they want without putting their jobs or lives on hold. Most courses last just seven weeks each, enabling rapid progression through degree requirements at our affordable tuition rates. Five start dates offered throughout the year mean there's no long wait to get going. Discover which accredited online program is right for you and get ready for new career opportunities. Please go to Online Programs (<https://online.yzu.edu>) for more information.
