

ASSOCIATE OF ARTS IN CLASS ASSOCIATE OF ARTS

Welcome! The Beeghly College of Liberal Arts, Social Sciences, and Education offers a general associate-level degree to students. This two-year degree encompasses general education courses, a concentration of the humanities, social sciences, or natural sciences, and elective hours.

The Associate of Arts (AA) degree allows students to: a) increase their earning potential or increase their level of responsibility within a current position; b) complete YSU's Ohio transfer module (OTM) which ensures coursework will transfer to another state institution within Ohio; c) serve as a short-term goal on their way to a baccalaureate level degree; and d) earn a degree using courses already completed.

To inquire about earning the Associate of Arts degree, please contact an advisor in the Division of Academic Advising in the Beeghly College of Liberal Arts, Social Sciences, and Education.
