Mission of the Honors College

Through a combination of extraordinary learning experiences in small classes and experiential seminars, living-learning communities, unique and flexible resources for commuter students, leadership and innovative engagement activities, service-learning and traditional volunteer initiatives, interdisciplinary projects, research opportunities, and community, regional, and global perspectives, we fulfill this mission. As a direct outgrowth and articulated in the YSU Mission Statement, the Honors College "places students at our center" of an energized and inclusive community of faculty, staff, and alumni who share in the pursuit of life-long excellence in learning and civic engagement.

Contract Honors Courses

Any course other than those which are offered as an honors course (ENGL 1550H Honors Writing 1, MATH 1585H Honors Accelerated Calculus 1, etc.), remedial, or high school remedial courses may be taken for honors credit with the concurrence of the faculty teaching the class and the approval of the Honors Program Director.

The contract honors option does not involve more credit hours for a course, but rather credit of a different kind. Proposals should involve not simply more work on the part of the student, but rather work in greater depth. Proposals are initiated by the student after consulting with the instructor, then carefully reviewed by the department chair. Chairs certify that by the standards of the discipline, proposals meet the criteria listed. Contract Honors Proposals are generated online through the Honors Student Dashboard with approval of proposals completed electronically. More information and instructions for using the Dashboard can be obtained by contact the Honors College.

Remedial courses are not suitable for contract honors. Contracts are not normally approved when an honors section exists for the same course (e.g. ENGL 1551H Honors Writing 2). Projects in the historiography of any discipline are acceptable. Contract proposals must be submitted by the published due date.

Completion status is reported by faculty to the Honors Dean via the online *Honors Contract Completion Tracking System*. Instructions for accessing the system are sent to faculty via email by the week before finals week.

University Honors Program Engagement Requirements

VOLUNTEERISM AND SERVICE-LEARNING

Honors students are required to complete 60 hours of volunteerism on an annual basis. Reporting of volunteerism is required at the conclusion of each activity. Students are required to engage in at least two Honors College sponsored volunteer events of their choice.

ENGAGEMENT/LEADERSHIP/CO-CURRICULARS

Students who connect to the university through active participation demonstrate higher satisfaction and retention. Honor students are required to engage in student life.

Student Organizations

All Honors Students are members of the Honors Trustees. The Trustees is an official student organization at YSU. The group sponsors events and volunteer projects available to the University community at large. Other organizations include the Poverty Awareness in Youngstown group, MALAINA, and Women in Honors. Associated organizations include Alpha Lambda Delta and Phi Kappa Phi.

National Fellowships and Scholarships

The Honors College leads the National Scholarship Committee composed of faculty and staff from across the campus to advertise scholarship opportunities and prepare students for prestigious competitions such as the Truman, Marshall, Goldwater, and Rhodes Scholarships. Information and applications for these scholarships are maintained by the Honors College Office.

STUDY ABROAD/GLOBAL CITIZENSHIP

Honors students are encouraged to participate in study abroad experiences. The Honors College staff will assist students with letters of recommendation for participation and potential scholarship opportunities. Opportunities for Global Citizenship will be available for students and may take the form of Volunteerism or Leadership opportunities when a formal study abroad experience is not possible.

LIVING-LEARNING ENVIRONMENTS (OPTIONAL)

Both residential and commuter students can enjoy the community that exists within honors. Two on-campus honors residential learning communities--Cafaro House and Building #2 of the Courtyards are available. Cafaro House is equipped with a computer lab and academic wing. The accommodations are 4-, 8-, and 18-person suites with two students per room. The Courtyards offer either 4-person, 2-person, or single apartments. No matter the apartment type, each student has his/her own bedroom. Fok Hall now serves as the home for the Honors College staff and is situated half-way between both residential communities and within convenient walking distance from the six academic colleges. Available in Fok Hall is a student lounge, conference room, study space, meeting rooms, relaxation room, and the Penguin Pantry--all of which provide space for community building and learning. Commuter and residential students enjoy the home-like atmosphere within Fok Hall to foster learning and collaboration.

DOCUMENTATION OF ANNUAL STUDENT LEARNING OUTCOMES AND PROGRAM REQUIREMENT COMPLETION
