OFFICE OF EQUAL OPPORTUNITY POLICY DEVELOPMENT AND TITLE IX

The Office of Equal Opportunity, Policy Development & Title IX supports Youngstown State University's commitment to promote human and intellectual diversity by fostering an inclusive environment for all members of the University community. Our office ensures the University's obligations of equal access and equal opportunity in education and employment for all faculty, staff and students through the application and implementation of policies, procedures and practices that are equitable, transparent and understood by members of the University community.

Our office also promotes university success by administering the University's Policy against Discrimination/Harassment, Sexual Misconduct, and Retaliation. The Office of Equal Opportunity, Policy Development & Title IX oversees the University's compliance with federal and state laws, including Title VI, Title VII, Title IX and ADA, that prohibit discrimination and harassment based on race, sex, pregnancy, religion, color, age, national origin, veteran and/or military status, genetic information, disability, sexual orientation, gender identity or expression, marital status or parental status.

The Office of Equal Opportunity, Policy Development & Title IX is the campus home of the university's Title IX Coordinator. Title IX is the federal civil rights law that prohibits discrimination against students based on sex and gender in educational programs and activities. Title IX requires that Youngstown State University ensure that all students have equal access to education, regardless of gender, gender expression, sexual orientation or gender identity. Sexual misconduct, sexual harassment, and sexual violence (including sexual assault, sexual exploitation, relationship violence, domestic abuse and stalking) negatively impact students’ academic success and, as a result, are considered forms of gender discrimination prohibited by Title IX. The University appoints a Title IX Coordinator to assist complainants in reporting, and to provide resources and/or supportive measures to parties in Title IX cases.
