Degree Requirements

Each candidate for the M.A. in history must complete:

1. A minimum of 30 hours of graduate courses overall
2. At least 21 hours must be in HIST courses; up to 9 hours may be transferred in from other related disciplines with the approval of the Program Coordinator and the Graduate Director. The student wishing to explore course options outside the History Program should obtain approval BEFORE registering for such class(es). Examples of potentially acceptable external disciplines include Geography/GIS, Art History, Literature, Foreign Language, etc.
3. HIST 6900 (Research Methods) and HIST 6901 (Historiography): 6 hours total.
4. Minimum of 9 hours in an area of concentration (US, Europe, or Transnational).
5. Minimum of 3 hours outside area of concentration.
6. Minimum of one "Seminar paper" (at least 18 pages of text/footnotes, using primary and secondary sources, posing and answering a useful historical question). This requirement is NOT fulfilled by the Final Project (see #7), but is in addition to it. A seminar paper is a requirement in all Research Seminar classes, but students may meet the seminar paper requirement in any course, with approval of the instructor and Graduate Director.
7. All students must also complete a "Final Project" - taken in the form of Independent Study (HIST 6952). Depending on the nature of the project and the decision of the supervising History professor, this may be either one or two courses (3 or 6 credits). The decision of the professor supervising the project is final, in terms of the nature of an acceptable project, the number of hours it will be granted, the format and general merit of the project, and the final grade. The Final Project may take the form of a significant research paper and/or comparable project in other formats. Students who are approved to write an MA thesis will do so in the same manner, using up to 6 hours of Independent Study. Part of the Final Project will include mastering a relevant reading list, compiled by the project supervisor in cooperation with the student. Project completion will require that the students defend the completed project, including demonstrating satisfactory facility with the reading/source list, in front of a committee of three professors, chosen by the student in consultation with the relevant faculty and the Graduate Director. Students may only register for their Final Project if they are in Good Standing with the College of Graduate Studies. The same applies to the defense.
8. As long as all other MA requirements are met, students may count graduate-level Applied History courses taken at YSU (or accepted as transfer credits from another institution) towards the History MA degree, from individual courses up to the entire Certificate in Applied History (minimum of 18 graduate-level credits). Applied History courses are generally considered "American/US" courses. See Applied History Certificate requirements for more information.
