MASTER OF FINE ARTS IN INTERDISCIPLINARY VISUAL ARTS

As of January 1, 2021, admission to the graduate program in Interdisciplinary Visual Arts has been suspended.

Applications to the program are not being accepted at this time.

Admission Requirements

As the terminal degree in studio art, the MFA Program at YSU will provide an opportunity for advanced conceptual and technical development for qualified students wishing to pursue a professional career in contemporary studio art research and practice. Admission to the program will be highly competitive and selective. Successful applicants will have a superior academic background and a strong commitment to interdisciplinary practice. MFA students are expected to have a thorough understanding of the principles of form, proficiency in various mediums and technical skills as well as a fluency in language and discourse in the historic and contemporary contexts. Applicants must follow standard procedures and normal requirements for admission into YSU College of Graduate Studies. In addition to the Graduate Admission requirements, applicants are required to have the following:

- An undergraduate degree from a regionally accredited institution (i.e., BFA, BA or equivalent experience). The undergraduate degree need not be in Studio Art but the applicant must demonstrate the competence to undertake the challenges of MFA Studies in Visual Art.
- a minimum of 48 credit hours of undergraduate work in studio courses and 12 credit hours in art history courses (the normal course of study for a BFA or BA in Art)
- a minimum cumulative undergraduate grade point average of 3.0 on a 4.0 scale
- a portfolio of work (20 digital slides or equivalent) which shows technical and conceptual competency and demonstrates the commitment and potential necessary for growth and success in the program
- A statement of purpose/artist’s statement (500 to 700) words that specifically addresses your portfolio of work as well as your goals and interest in pursuing an MFA in Interdisciplinary Visual Art. Include mention of your current practice in relation to your proposed graduate study.
- a resume (no longer than two pages)
- three original letters of recommendation
- the graduate selection committee may require a personal interview of selected applicants

Provisional Admission

Provisional admission may be recommended if the applicant does not meet the minimum requirements. For example, if the overall undergraduate GPA is deficient (2.7 – 3.0) but the Studio Art GPA is 3.0 or higher or the portfolio of work is inadequate but suggests strong potential for success.

Students admitted provisionally must complete the requirements and deficiencies outlined in the letter of provisional admission within the specified timetable and must earn at least a 3.0 in the first semester (or 9 credit hours) of graduate work to continue in the program.

The curriculum assumes adequate preparation for advanced work in studio art. Students who lack that preparation may be asked to take undergraduate level courses to successfully address any deficiencies in their technical or aesthetic training in order to change their admission status from provisional to regular. These courses will not count toward the requirements for the MFA degree.
