

MASTER OF SCIENCE IN EDUCATION IN COUNSELING

Introduction

The counseling program prepares individuals as professional counselors in the areas of clinical mental health counseling, school counseling, college counseling and student affairs, and addiction counseling. Our program is designed to prepare graduates who have necessary knowledge, skills, and dispositions to best serve in mental health centers, schools, recovery centers, and colleges. Our program is exemplified by the quality and diversity of classroom instruction, field experiences, program options, students, faculty and the outstanding reputation of graduates in the community. The required core courses are those considered to represent basic knowledge and skills essential for professional counselors in all environments. The common CACREP core includes knowledge and skills in:

- professional orientation and ethics
- human growth and development
- social and cultural diversity
- helping relationships (e.g., counseling theory, counseling methods)
- career development
- group work
- assessment
- research and program evaluation

The Counseling Program also maintains the Community Counseling Clinic that provides free or reduced cost counseling services to residents of the Youngstown area. All students in the clinical, school, addiction and college counseling options take one practicum course and counsel clients via the clinic during their first practicum experience. We have a strong connection with alumni, program supervisors, agencies and schools, and community leaders who support the profession of counseling in the Youngstown area.

Welcome

Our program is designed to prepare graduates that have necessary knowledge, skills, and dispositions to best serve in mental health centers, schools, recovery centers, and colleges in the area. Our program seeks to meet the Addiction Counseling, Clinical Mental Health Counseling, School Counseling, College Counseling & Student Affairs needs of Northeast Ohio, Western Pennsylvania and other areas of the state/country.

We are CACREP accredited and nationally awarded (i.e., ACES Outstanding Counselor Education Program Award and the NCACES Innovative Counselor Education Program Award). Our program is exemplified by the quality and diversity of classroom instruction, field experiences, program options, students, faculty and the outstanding reputation of graduates in the community. We have a 50 year history and over 2,200 master's degree graduates who have served the area as licensed professional clinical counselors, licensed/certified school counselors, licensed/certified chemical dependency counselors, student affairs professionals, professors, agency directors, and public servants. We have a strong connection with alumni, program supervisors, agencies and schools, and community leaders who support the profession of counseling in the Youngstown area. Master's students will find a unique educational experience that prepares them for employment and/or advanced study in Counseling.

Addiction Counseling

The Addiction Counseling Program prepares students to work in a variety of community settings, including addiction/recovery centers, residential/community mental health centers, hospitals, employee assistance programs, and private practice. Students are taught to diagnose and treat mental and emotional disorders using a variety of interventions and methods. Students within this program focus on all areas of addiction including drug and alcohol, gambling, sexual, and other process addiction. The Addiction Counseling Program is accredited by the Council for the Accreditation of Counseling and Related Educational Programs (CACREP). Completion of this program will satisfy the educational portion of the requirements for Professional counselor and Professional Clinical Counselor licensure by the Ohio Counselor, Social Worker, and Marriage and Family Therapist Board. In addition to the 63 semester hours of coursework, students complete experiential activities early in the program, a practicum, and a 600-hour internship in one of a variety of addiction settings in Northeast Ohio or Western Pennsylvania.

Clinical Mental Health Counseling

The Clinical Mental Health Counseling Program prepares students to work with children, adolescents, and/or adults and are employed in a variety of settings, including:

- community mental health centers
- hospitals
- addiction/recovery centers
- employee assistance programs
- private practices

Students are taught to diagnose and treat mental and emotional disorders using a variety of interventions and methods. Students are also taught ways to facilitate clients' growth and wellness, and how to help people live optimally as they move through developmental changes. The Clinical Mental Health Counseling program is accredited by the Council for the Accreditation of Counseling and Related Educational Programs (CACREP). A completed 600-hour internship in an appropriate community setting is required. Students interested in clinical mental health counseling complete a 60-semester-hour curriculum that is recognized by the state of Ohio's Counselor, Social Worker, and Marriage and Family Therapist Board. The curriculum enables graduates to pursue Ohio Professional Counselor licensure and Professional Clinical Counselor licensure. Students seeking counselor licensure in other states, such as Pennsylvania, have the responsibility to ensure that they meet the requirements of those particular states.

School Counseling

The School Counseling option prepares students to work in public or private K-12 education settings. The program is designed to help students with or without teaching backgrounds to support the academic, career, and personal/social development of all students within a school system. The program has an urban focus and seeks to prepare students who understand the impact of poverty and culture on disenfranchised populations. The School Counseling program is accredited by the Council for the Accreditation of Counseling and Related Educational Programs (CACREP). The program meets the education requirements for school counselor licensure in the state of Ohio. Students seeking school counselor licensure who do not have teacher certification in Ohio must have completed an approved school counseling program with a one-year induction process. Students must also pass the school counseling exam for the State of Ohio or any other state required standardized testing. In addition to the 60 semester hours of coursework, students complete experiential activities early in the program, a practicum, and a 600-hour

internship in one of a variety of school counseling settings in Northeast Ohio or Western Pennsylvania. Students seeking school counselor licensure/certification in other states, such as Pennsylvania, have the responsibility to ensure that they meet the requirements of those particular states.

College Counseling and Student Affairs

The College Counseling & Student Affairs program option prepares entry level college counselors and student affairs practitioners with the knowledge, skills, and practical experiences to facilitate the learning and development of college students. Preparation is guided by an understanding of college counseling and student affairs history and research, college student development theory, legal and ethical issues, college student diversity, current issues, administrative and leadership components, assessment practices, and an understanding of the dynamic nature of higher education. The College Counseling and Student Affairs program is accredited by the Council for the Accreditation of Counseling and Related Educational Programs (CACREP). Graduates from the College Counseling & Student Affairs program option pursue careers as professionals at college and universities across the country. Individuals who complete the 60 hour non-licensure options are prepared to work in a host of functional areas in higher education such as: housing, admissions, advising, career centers, international centers, diversity and inclusion centers, etc.). Recent graduates have been:

- academic advisors
- career services coordinators
- international recruiters
- residence directors
- area coordinators
- directors of residence life
- directors of student activities
- faculty members

Individuals who complete the 60 hour licensure option are prepared to work with college students in community mental health centers, hospitals, addiction/recovery centers, employee assistance programs and private practices. Individuals are taught to diagnose and treat mental and emotional disorders using a variety of interventions and methods. Completion of the 60 semester hour licensure track will satisfy the educational portion of the requirements for licensure as a Professional Counselor and a Professional Clinical Counselor by the Ohio Counselor, Social Worker, and Marriage and Family Therapist Board. Individuals complete experiential activities early in the program, a practicum, and a 600-hour internship in one of a variety of college and university settings in Northeast Ohio or Western Pennsylvania.

Mission

The mission of the Counseling Program is to educate students, and to help them develop into counselors and related professionals who are sensitive to the impacts of human development, culture, and context upon students and consumers of counseling services; who are caring and compassionate counselors and people; who are self-reflective; who promote opportunity and social justice for the impoverished urban and rural populations; and, who are committed to empowering consumers of counseling services to thrive, and to achieve their fullest potential.

The Counseling Program advocates equality of opportunity for all persons. The curriculum and all educational experiences are designed to educate counselors in understanding and applying various counseling methods and techniques to aid a multicultural and diverse population with psychological, educational, vocational, and personal concerns. The Counseling Program fosters a learning environment that is challenging for both personal and professional development, humane in its emphasis upon respect for the dignity and worth of the individual, and realistic through its emphasis upon integration of academic, clinical, and field-based learning.

Program faculty are involved in scholarship, and university, professional, and community service, and to use those involvements to mentor students,

to enhance students' learning experiences, to serve the community, the counseling profession, and consumers of counseling services who reside in northeast Ohio.

Accreditation

The Counseling Program emphasizes high standards of professional competence. The Counseling Program continues to remain committed to its stated mission through ongoing accreditations by the Council for Accreditation of Counseling and Related Educational Programs (CACREP). The Counseling Program also emphasizes ethical practice and keeps with state and national standards for certification and licensure for practice in educational, mental health and social service environments. The Counseling Program has full approval by the Ohio Counselor, Social Worker, and Marriage and Family Therapists Board (OCSWMFT), and the Ohio Department of Education (ODE). The Counseling Program engages in ongoing program development and refinement based on accrediting bodies' and licensure boards' developments and recommendations, and sensitivity to licensure requirements and legal and ethical issues is a priority.

Our program is fully accredited by CACREP through 2031.

Admission Requirements

Students from a variety of undergraduate majors (i.e. psychology, social work, education, communication, sociology, religion, philosophy, business, general studies, etc.) may pursue a master's degree in counseling. Undergraduate and/or graduate grade point average, a letter of intent, name and contact information of references, and a required interview are important factors in determining the admissibility of an applicant to the counseling degree program. Applicants will be interviewed by members of the Counseling Admissions Committee and must meet the standards prescribed in the counseling program's admission policies. The following are the admission requirements:

- Applicants must have earned above a 2.7 grade-point average. (If an applicant's GPA is slightly below the minimum required, an applicant may include a GRE or MAT score to have their application reviewed.)
- Submit a letter of intent (approximately 4 pages double-spaced) with response to the following items:
 - a. What factors are motivating you to pursue a masters degree in Counseling at this time?
 - b. Please give an example of when you have determined to make desired changes in your life. What motivated you to seek this change and what obstacles did you overcome?
 - c. The Counseling Program offers four (4) options; Addiction Counseling, Clinical Mental Health Counseling, School Counseling, and College Counseling/Student Affairs. Which Counseling Program option(s) are you most interested in pursuing? What is your motivation to specialize in this area and what type of work would you like to be doing in 5 years?
- Provide a copy of your resume
- Names and contact information of three references, at least two of which should be current or former faculty
- Official transcripts of all undergraduate or graduate work completed
- Counseling Interview
- Application Deadlines:

Fall: June 15th

Spring: October 15th

Summer: March 15th

Graduate Faculty

C Grade Policy

A student must maintain a minimum of a "B" average (3.0 on a 4-point scale) in all academic work completed to be awarded a degree. A student who earns a "C" or lower in any course will be required to retake the course. A student earning more than one C grade or lower (i.e., D or F) will be removed from the program. A student who earns a C in any practicum or internship course will not be permitted to move to the next level of the field placement sequence (e.g., Practicum 2, or Internship) and will be required to re-take the course in which the grade was earned. A student who earns a D or F in a practicum or internship course may be dismissed from the program. In these situations, the faculty will review the case and determine if the severity of the situation warrants removal from the program.

Learning Outcomes

1. Students will demonstrate an understanding of CACREP's eight core foundational knowledge areas.
2. Students will demonstrate the ability to use foundational counseling techniques/ micro-skills
3. Students will demonstrate professionalism, professional identity, and fitness to practice as a professional counselor.
4. Students will demonstrate knowledge in specific program areas (i.e., Clinical Mental Health, School, College Counseling and Student Affairs)
