Prepare to provide comprehensive and holistic care to a culturally diverse, acutely and chronically ill population with the knowledge and skills you will gain in the Master of Science in Nursing – Adult Gerontology Acute Care Nurse Practitioner online program from YSU.

In this online MSN AG-ACNP program, you will learn clinical manifestations of and patient response to particular patient care challenges (pulmonary, cardiovascular, etc.) with an emphasis on physical assessment findings for determining diagnoses and planning patient care needs as well as health promotion and maintenance.

This accredited nursing program includes a supervised clinical practicum consisting of 540 hours in an acute care setting. Our MSN core curriculum features an integrated capstone course, along with studies of pathophysiology, diagnostics and technologies, pharmacology, and more.

The program is delivered in a fully online format (<https://online.ysu.edu/degrees/nursing/msn/agacnp/>).

Youngstown State University online nursing program must meet the standards of the state(s) in which we possess authority to provide education and may only admit students from states in which we have approval. Online nursing program students must complete the program in the state of Ohio, Pennsylvania, West Virginia, Michigan, or Florida.

Graduates of this program will be qualified and eligible to take the American Nurses Credentialing Center certification examination. Following national certification, graduates are also qualified to be recognized as an Adult Gerontology - Acute Care Nurse Practitioner and are granted prescriptive authority through the State Board of Nursing.

Centofanti School of Nursing - MSN Grade Requirements

Satisfactory academic progress at the graduate level is maintained by satisfying the following criteria:

- A degree-seeking graduate student must maintain a minimum grade point average of 3.0 (on a 4.0 scale). Any required course grade of D or F must be repeated and passed with a grade of C or better.

- A degree-seeking graduate student must successfully meet the requirements, including the time requirement, of all comprehensive examinations of the degree program.
- A degree-seeking graduate student must complete with a passing grade any thesis requirements (or the equivalent) of the degree program.
- A non-degree graduate student must maintain a minimum grade point average of 3.0 (on a 4.0 scale).
- Grades of D and F carry no graduate credit but will be used to determine the student's grade point average. A student has the privilege of repeating a course once, but the repetition is treated merely as another course, along with the first, in calculating the student's grade point average.
- Any required course grade of D or F must be repeated and passed with a grade of C or better. Students may not advance in the program until they have taken the failed course, passed with a grade of C or better and maintain a GPA of 3.0.

For degree programs requiring up to 39 semester hours for completion, a student may count no more than six semester hours of coursework with a grade of C toward the minimum graduation hour requirements. For students in programs requiring 40 semester hours or more for completion, no more than nine semester hours of coursework with a grade of C may count toward the minimum graduation hour requirement.

MSN Student Learning Outcomes

All graduates of the program are prepared to:

- Synthesize theory and research from nursing and related disciplines for advanced nursing roles.
- Utilize leadership strategies to influence health and health care and to promote the nursing profession in the advanced nursing role.
- Expand the knowledge of evidence-based practice by identifying nursing research problems and contributing to research investigations.
- Integrate assessment of own learning in developing a lifelong pattern of scholarly inquiry.

Upon successful completion of the MSN program, graduates are eligible to sit for national certification examinations. Once certified, graduates must apply for a Certificate of Authority to practice as an Advanced Practice Nurse in the State of Ohio or in the state in which they intend to practice.
