## Public Instructor Information

Professional Qualifications.

Ph.D., Health Sciences (In Progress), Youngstown State University.

Master of Public Health, (MPH), NEOMED in Consortium with Youngstown State University, 2007.

Bachelor of Science (B.S.) in allied health, Youngstown State University, 1997.

Associate in applied sciences (AAS) Medical Assisting Technology, CMA, AAMA, 1996.

Office: Cushwa, #1108

Phone: (330) 941-1760 Fax: (330) 941-2921

## Course Description

1501. Medical Terminology. This course will provide a basic understanding of the origin and components of medical terms needed to reach the goal of learning the language of health care. Included in the content will be definitions, pronunciation, spelling and proper abbreviations. Inherent in comprehending medical terminology would be the review of anatomical structures and systems involved in the functioning of the human body; as well as, diagnoses, surgeries, diagnostic tests and pharmaceutical terms needed to understand patient medical care. This is an online course. Prereq.: None. 3 s.h.

## Course Readings

| Group    | Title | Author | ISBN |
|----------|-------|--------|------|
| Required |       |        |      |

Programmed Learning Approach to Medical Terminology, Third Edition, Judith L Nath, ISBN-13: 978-1-4963-6099-1

The course readings are subject to change in the event of extenuating circumstances, research developments, current events, and/or to ensure better learning.

## Tentative Course Schedule

| Week of | Reading(s)      | Proposed Topic                       | Due/To Prepare for Class                                                                                                                                                                                            |
