Course Description

1501. Introduction to Education. Historical, political, legal, cultural and ethical perspectives on the work and roles of teachers and schooling. Issues confronting educators, voters, parents and children. Observe the organization and governance of school districts. Field hours required. 3 s.h.

Required: Pre-Service Permit

The 3-Year Pre-Service Teacher Permit is required for candidates who are enrolled in educator preparation programs to complete student teaching or other training experience involving students in P-12 schools. This class requires you to apply for a Pre-Service Teacher Permit. You have been enrolled in a Blackboard course which is listed under Organizations (not courses) and titled Pre-Service Teacher Permits. This course will outline the process to apply for a permit. If you have additional questions concerning these permits, please visit the State Board of Ohio website at: <https://sboe.ohio.gov/educator-licensure/apply-for-a-new-license/pre-service-teacher-permit>

Field Hours Requirement

Each student will be required to complete at least 15 hours of field work. Students must complete the required field work component of the class in order to pass and receive a grade for the course.

Fingerprinting & Background Check

Ohio Revised Code 3319.39 identifies 81 criminal offenses, felonies, and misdemeanors, which bar Ohio teaching licensure and employment in a school district. For a complete listing of these offenses, felonies, and misdemeanors, see the Handbook. All EDFN1501 students are required to be fingerprinted and undergo a Web Check to determine if they have been convicted of, or plead guilty to, any of these offenses. Based on the review of this Web Check, students will be counseled and may be denied access to the tutoring experience of the course. Judgments are determined on a case-by-case basis. Students who fail to complete this requirement will receive an "I" in the course.

Course Fees

Fees attached to the EDFN1501 course covers the expenses and charges incurred for the Bureau of Criminal Investigation background check. Students in the classes are required to complete 15 hours of tutoring to complete this class. The State of Ohio requires that all persons have a background check performed before interacting with children.

A Pre-Service Permit is also required. There is a cost associated with this permit. More details will be covered in class during the presentation from the Office of Field Work Experiences.
