Course Description

1551H. Honors Writing 2. This Honors version of English 1551: Writing 2 builds upon students' knowledge of the writing process and rhetorical concepts as they conduct scholarly inquiry on a specific topic using academic research. The course emphasizes the process of investigation: identifying problems to explore with research, collecting data from primary and/or secondary sources, synthesizing source material, and clearly presenting the results of these inquiries in a research-based argument. Students write a minimum of 5,000 words (approximately 20 double-spaced pages) cumulatively across the major assignments. Grading is ABCDF. English 1551H is three semester hours. Prereq.: Admission to the Honors Program AND ENGL 1550H with a grade "C" or better OR placement by ACT/SAT test results. 3 s.h.
