Instructor Office Phone: 330-941-1628

Course Description

An introductory course focused on developing functional conversation skills in the chosen language.

Conversational Spanish 1 is an introductory course designed for students with little to no previous experience in Spanish. The course emphasizes the development of practical communication skills through thematic modules focused on everyday situations and topics. Students will develop foundational skills in speaking, listening, reading, and writing while building vocabulary, learning essential grammatical structures, and exploring the cultures of the Spanish-speaking world.
