No Assigned Course Readings			

There are no assigned course readings. Because your internship experience is unique, you are strongly encouraged to stay current with news, emerging trends, and events that may directly or indirectly affect the organization you are interning at, your profession, or your industry. This includes broader economic, technological, regulatory, social, and global developments. Whenever relevant, connect these developments to your workplace experiences and incorporate them into your Final Internship Reflection paper. This practice will help you demonstrate curiosity, recognize connections beyond your immediate responsibilities, continue learning and growing, and make thoughtful, well-informed professional suggestions and decisions.

The course readings are subject to change in the event of extenuating circumstances, research developments, current events, and/or to ensure better learning.
