

## NURS 4840L - Complex Care Laboratory

Fall 2026 Syllabus, Section 02, CRN 40712,

Credit hours: 0

### Instructor

Noah Earlenbaugh

Email: [naearlenbaugh@ysu.edu](mailto:naearlenbaugh@ysu.edu)

### Public Instructor Information

Senior Lecturer

**Professional Qualifications:**

BSN, Nursing, University of Akron (2022)

**Office:** Cushwa Hall 3203

**Office Phone:** 330-941-1796

### Course Description

4840L. Complex Care Laboratory. Complex Care Laboratory. 0 s.h.

### Course Readings

| Group    | Title                                                                         | Author                                | ISBN |
|----------|-------------------------------------------------------------------------------|---------------------------------------|------|
| Required | Engage Adult Medical Surgical RN (modules).                                   | ATI (2023)                            |      |
| Optional | RN adult medical surgical nursing (ed. 12.0). Review Modules 2023 RN - eBook. | ATI (2023)                            |      |
| Optional | High-acuity nursing (7th ed.). Pearson                                        | Wagner, K. D., & Hardin-Pierce, M. G. |      |

The course readings are subject to change in the event of extenuating circumstances, research developments, current events, and/or to ensure better learning.

## Schedule of Topics and Assignments

| Day | Date | Reading(s)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Proposed Topic                                                                                                                                                                                                                                      | Due/To Prepare for Class                                                                                                                                                                                                   |
