Course Description

7051. Family Nurse Practitioner 4 Practicum. The final supervised clinical practicum consisting of a minimum of 75 hours and/or any remaining hours needed to meet the 600 total program hours in a variety of primary care settings. It is designed to provide the advanced Family Nurse Practitioner student with comprehensive experiences in health promotion and the integration and management of acute and chronic health problems in individuals across the lifespan. In addition, preparation for advanced practice certification, certification examination and state licensure processes are addressed.

Prereq.: NURS 7050. 1-3 s.h.
