### Course Readings

| Group    | Title                       | Author | ISBN |
|----------|-----------------------------|--------|------|
| Optional | See CSU Course Instructions |        |      |

The course readings are subject to change in the event of extenuating circumstances, research developments, current events, and/or to ensure better learning.

While providing the most accurate and up to date information available, the instructor will utilize different formats to provide information on each module. This will include **VIDEO TAPED LECTURES, NARRATED POWER POINT PRESENTATIONS, POWER POINT HANDOUTS, OUTLINES, SUPPLEMENTAL READINGS, AND VIDEO PRESENTATIONS.** The instructor has gathered this information from numerous sources including textbooks, websites, conference notes, and personal experiences. It is impossible to document all sources used in the formulation of the instructional material used in this course. Therefore, the instructor does not take credit for authoring any of the material presented in the course but to provide the best learning experience for the student has gathered materials from sources that he feels provides the most accurate information available. Any use of such material without documentation is in the interest of education and purely unintentional.

Required Software: Microsoft Word. Real Player, Adobe Acrobat, Java Script
