Course Description

7012. Field Education 4. Field Education IV. This course provides opportunities for students to synthesize and integrate previous coursework from their social work education. Theoretical and experiential assignments are utilized to assist students with increased self-awareness and to prepare them for the transition from college to advanced professional social work practice that emphasizes the strengths-based approach.

Course Readings

Group	Title	Author	ISBN
Optional	MSW Field Manual		

There is no textbook required for this course. Students are encouraged to review the NASW Code of Ethics and field manual. Field supervisors may assign additional readings/activities.

The course readings are subject to change in the event of extenuating circumstances, research developments, current events, and/or to ensure better learning.
