Course Description

1500. Success Seminar. This course helps students establish a solid foundation for success at YSU. Students learn the conventions that govern the academic community including what is expected of them and what they are responsible for, skills needed to successfully manage their academic workload, habits of mind that promote resilience, and how to understand and use degree planning tools. Students are also given opportunities to participate in a range of co-curricular activities to enrich their experience, encourage their curiosity, and promote their active engagement in all YSU has to offer. 1 s.h.
