Course Description

3755. Managing Workplace Belonging. This course examines the critical role of belonging in shaping effective workplace environments. Students will explore the changing demographics of the workforce, organizational practices that support belonging and strategies for creating equitable and engaging work cultures. The course also delves into leadership approaches to fostering belonging and the interplay between workplace practices and broader institutional systems. Prereq.: 2.5 GPA. Prereq. or Coreq.: MGT 3725. 3 s.h.
