Office: Cushwa Hall 3114

Office Phone: 330-941-2328

Preferred Contact Method: Please contact me directly from your YSU email to my YSU email (not through Blackboard Messages/Blackboard Email).

Communication Expectations:

Faculty will respond to student emails within 48 hours. Students are expected to respond to faculty emails within 48 hours. Students are required to check emails, announcements, weekly modules, and discussion boards each week at the beginning of each week for weekly assignments and at least three times per week for updates. It is the student's responsibility to frequently monitor their YSU email for faculty communication. It is also the student's responsibility to complete assignments on time and contact faculty for assistance if needed prior to the due date.

Assignments will be graded within one week of the due date. If an assignment is submitted late, it will be graded within one week of submission date.

How to Refer to me:

Dr. Weaver

Course Description

3735. Health Promotion Across the Lifespan. This course provides the student with a theoretical foundation for wellness, health promotion and disease prevention across the lifespan. The role of the nurse as a health educator and patient advocate for health care and maintenance of health for patients of various ages, their families and groups will be explored. Students will develop a plan of care to ensure healthy lifestyles and promotion of wellness. Three class hours and no clinical hours/week. Prereq.: Valid RN Licensure. 3 s.h.
