

NURS 6901 - Theoretical Foundations in Science and Research

Summer 2026 Syllabus, Section A04, CRN 30770,

Credit hours: 3

Instructor

Amy Weaver

Professional Qualifications:

PhD in Nursing, Villanova University

Master of Science Nursing (MSN)/Clinical Nurse Specialist with Chronic Illness focus, Youngstown State University

Bachelor of Science Nursing (BSN), West Liberty State College

Certified Nurse Educator (CNE), National League for Nursing

Professor

Email: aweaver@ysu.edu

Office: Cushwa Hall 3114

Office Phone: 330-941-2328

Preferred Contact Method: Please contact me directly from your YSU email to my YSU email (not through Blackboard email or Blackboard messages).

Communication Expectations:

Faculty will respond to student emails within 48 hours. Students are expected to respond to faculty emails within 48 hours.

Students are required to check announcements, weekly modules, and discussion boards each week at the beginning of each week for weekly assignments and at least three times per week for updates. It is the student's responsibility to frequently monitor their YSU email for faculty communication. It is also the student's responsibility to complete assignments on time and contact faculty for assistance if needed prior to the due date.

Assignments will be graded within one week of the due date. If an assignment is submitted late, it will be graded within one week of submission date.

How to Refer to me:

Dr. Weaver

Course Description

6901. Theoretical Foundations in Science and Research. Analysis of health-related evidence to continuously improve quality of practice. Exploration of the significance of theory, research and research methods and strategies for translating evidence into practice. Research design, instrumentation, data collection methods, statistical analysis, data analysis and data interpretation will be discussed. Prereq.: Nursing graduate status. 3 s.h.

Course Readings

Group	Title	Author	ISBN
Required	(2026). Nursing research: Methods and critical appraisal for evidence-based practice (11th ed.). Elsevier.	LoBiondo-Wood, G. & Haber, J.
