How to Refer to me:

Ms. Pleva

Course Description

6941. Managing Organizational Talent. The objective of this course is to provide students with an overview of the organizational behavior literature, research findings, and applications. Students are expected to think about, discuss, debate, analyze, and solve issues relating to organizational behavior. Students will be exposed to a broad range of management theories and expected to apply those theories to a variety of organizational contexts and situations. Prereq.: graduate standing, admission to the OMBA Program or the Certificate in Organizational Leadership or permission from the MBA Program. 3 s.h.

Course Readings

Group	Title	Author	ISBN
Required	Organizational Behavior, Managing People and Organizations	Griffin & Phillips	9780357899076

- Each week on Sunday at 11:59PM a learning module will be released on Blackboard covering one large topic. The module will contain items to support the week's learning such as readings, videos, and assignments.
- Each module should be reviewed thoroughly before starting any work. Start by reviewing the "Welcome" page. This covers all the details for that module including assignments.
- After reading the objectives, read all the readings for the week. This will contain key content to aid in completing any work (including discussion boards). THEN, start your work for the week.

The course readings are subject to change in the event of extenuating circumstances, research developments, current events, and/or to ensure better learning.
