

# BACHELOR OF ARTS IN MULTIMEDIA COMMUNICATION BACHELOR'S TO MASTER'S TRACK

## Overview

This is a Bachelor's to Master's Track degree program for students in all areas of the B.A. Multimedia Communication program.

High performing upperclassmen (those with an overall GPA of 3.25 or higher and a minimum of 78 completed credit hours) may select the Bachelor's to Master's Track to earn credit towards a Master's Degree in Professional Communication. Enrollment in this track allows students to simultaneously earn credit towards their undergraduate degree and graduate degree. In order to be part of this program students must contact the Communication Department Chair and meet the following criteria. (1) Provide a current resume outlining academic and professional experience and (2) provide a letter of interest explaining how the candidate's academic and/or professional experience and goals align with the MA program. Upon graduation with the undergraduate degree, students must be accepted to the Graduate College and meet all admissions requirements. Once accepted, student transcripts will reflect the dual-enrolled courses.
