

CERTIFICATE IN BUSINESS MANAGEMENT

Program Structure

Designed to be a standalone certificate, the program consists of a series of courses that cover essential concepts, tools, and techniques relevant to the certificate's focus area. The curriculum focuses on developing knowledge that is both relevant and applicable to various professional settings. Students must complete all required coursework to earn the certificate.

Eligibility Requirements

Enrollment in this certificate program is exclusively for students who are not in any degree program. Eligibility is contingent upon maintaining good academic standing within their primary program and a GPA that meets or exceeds the department's requirements.
