Welcome from the Chair

Greetings from the Department of Management and Marketing. Our goal is to provide our students with an applied education that will prepare them for success upon graduation. We do this through real-world class projects, professional skills, and certifications such as Adobe Suite, Google Analytics, Excel, etc., active student organizations, and paid, for-credit internships. Our faculty members have extensive experience in the business world that enables them to provide our students with knowledge and skills that go beyond the traditional classroom.

Whether you’re interested in advertising, sales, marketing, international business, human resource management, supply chain management, entrepreneurship, nonprofit leadership, or business administration, we have the program to fit your needs.

Students in the Department of Management and Marketing have a wide range of professional student organizations to choose from, including: The Society for Human Resource Management (SHRM), Pi Sigma Epsilon (professional sales organization), Students in Information and Supply Chain Association, ENACTUS (national entrepreneurship organization), American Marketing Association (AMA), American Advertising Federation (AAF), Student Nonprofit Leadership Organization (SNLO) and International Business Organization (IBO).
