DEPARTMENT OF ART

Introduction
YSU is a leader in Northeast Ohio in preparing students for careers in the visual arts and art education. Accredited by the National Association of Schools of Art & Design (NASAD), our student-centered programs are led by nationally and internationally recognized artist-educators who engage students with experiential-based coursework that encourages interdisciplinary exploration toward furthering our students’ conceptual and technical development.

Students pursuing the BFA in Studio Art select a track in Interdisciplinary Studio Art, Digital Media/Photography, or Graphic + Interactive Design. Whether pursuing the professional degree in studio art or the BSE in Art Education, students enjoy regular opportunities to exhibit their work in the college's 20,000 square foot McDonough Museum of Art, our boutique-style Solomon Gallery, or our student installation gallery.

Degree Information & Requirements
The Art Program offers courses that satisfy major requirements in art for the degrees of:

- Bachelor of Fine Arts
- Bachelor of Science in Education

Studio art includes concentrations in Digital Media/Photography, Graphic + Interactive Design, and Interdisciplinary Studio Arts.

The requirements for curricula and for graduation are in accordance with the published regulations of the National Association of Schools of Art and Design (NASAD (https://nasad.arts-accredit.org/)).

In the Bachelor of Fine Arts degree, the programs in studio art are designed to familiarize the student with the basic concepts in art and the language of visual form. Concentration is on the development and involvement of the student with the processes and practices of art. After the foundation sequence, passing ART 1503 Foundation Portfolio Review (usually spring term of the freshman year) is required to continue in the program. Also, BFA students are required to exhibit in a senior show at the John J. McDonough Museum of Art.

Students who wish to qualify for PK-12 licensure are expected to complete a minimum of 73 semester hours of art education degree requirements, at least 12 of them in art history, 15 in professional education courses, and 27 in art education core classes, which include student teaching practicum. After completing two years of study with a grade point average of 3.0, these students may apply for upper-division status in Cliffe College to begin their professional education courses. (Other requirements for admission are listed under the Cliffe College webpage.) No minor is required for the special certificate.

To transfer into a studio art or art education degree program, a minimum GPA of 2.5 is required. Studio art credit for transfer students is awarded based on a combination of portfolio work and prior college credit. Except for state-mandated transfer courses, transfer credit is not awarded solely on a listing of courses on a transcript. Transfer students should make an appointment to show their portfolios. For more information regarding transferring into the Art Program, visit Transfers (http://art.ysu.edu/transfers/).

History
The Art Program at Youngstown State University began in 1935 as an initiative of Howard Jones, the first president of the University. He supported the concept that aesthetics and art play a major role in the development of the individual in society. Howard Jones appointed Margaret Evans, former director and curator of the Butler Institute of American Art (https://butlerart.com/), to teach and direct the development of art courses in the curriculum. Evans began to establish a curriculum leading to a career in art education in elementary and secondary schools. During this period of development, art classes were held at the Butler Institute of American Art, the Mill Creek Park (https://www.millcreekmetroparks.org/) art museum, and various locations on the campus, ranging from private mansions along Wick Avenue to the World War II army barracks built on the campus.

Since 1935, the department has grown to over 20 faculty members who teach more than 200 art majors studying drawing, painting, printmaking, photography, ceramics, sculpture, digital media, graphic design, interdisciplinary studio, art history, and art education.
