Welcome to the Dana School of Music! Founded 150 years ago, Dana is one of the oldest institutions of its kind in the United States. Our talented and vibrant faculty and students are involved with more than 100 events annually, including performances in historic regional halls (including the DeYor Performing Arts Center and Stambaugh Auditorium), distinguished lecturers, guest artists, and research pursuits. Our many illustrious alumni may be found performing in orchestras, opera companies, prestigious military groups, and other touring ensembles; enshrined as Hall of Fame Songwriters and Grammy Award winners; and teaching in conservatories, universities, and primary and secondary schools throughout the US. More than 50 faculty and staff maintain a tradition of conservatory-style music training and musical excellence in an urban research university setting.

We are accredited by the National Association of Schools of Music and offer a comprehensive listing of undergraduate Bachelor of Music degree programs as well as Bachelor of Arts options that provide additional breadth of study. Graduate students may earn a Master of Music degree in performance, music education, jazz, history and literature, and theory and composition. Pre-college or preparatory study, of two kinds

1. Academic. These courses are normally taken in high school. All deficiencies must be satisfied prior to completing 60 semester hours at YSU.

2. Musical. A student lacking suitable proficiency in applied studies must develop it before undertaking the required college-level music courses.

University Requirements

Non-music courses and other requirements to be completed are listed in the Curriculum Sheet (https://catalog.ysu.edu/undergraduate/colleges-programs/college-creative-arts-communication/school-music/programsandstudenttext) of each degree program. An overview of YSU’s General Education program and lists of courses by domain may be found here (https://catalog.ysu.edu/undergraduate/general-information/academic-policies-procedures/general-education-requirements/).

Degree Requirements

All music majors must attend 36 Convocations and 30 Dana School of Music concerts or recitals. During the semester, Convocation meets every Friday (11:00-11:50) in Bliss Recital Hall. Attendance at 36 convocations is recommended in the first two years and required for degree completion. Attendance at 30 recitals is mandatory in the first two years. Students are asked to save printed programs from any recitals or concerts they attend as evidence of their presence.

Double Major: Music Performance and Music Education

Students who wish to complete a major (Bachelor of Music or Bachelor of Arts degree) in an instrument or in voice, theory, or composition and also a major in music education, should consult the Director of the Dana School of Music.

Although the Dana School of Music offers a variety of degrees and majors in music, it is our desire that all music students have significant musical experiences as a foundation for more specialized training.

Curricular Requirements

For All Music Majors

Acceptance into a performance area is contingent upon an audition (http://www.ysu.edu/academics/college-creative-arts-communication/dana-school-of-music/admission/). Students who do not qualify for major-level lessons (e.g., PIAN 1501, FLUT 1501) may take the relevant minor-level lessons (e.g., PIAN 1500A, FLUT 1500A) until the deficiency is corrected.

After an examination given by members of the faculty, advanced standing in performance may be granted tentatively (e.g., for transfer students). The final classification is made at the end of the first semester of resident study.

Enrollment in private lessons is contingent upon the approval of the Director of the Dana School of Music, with priority given to full-time music majors and music minors participating in major ensembles.

Teacher Assignment for applied lessons

Assignment of students to teachers for applied music lessons is made by the area coordinator. Requests for change of teacher should be addressed to the coordinator in writing. To the extent possible, a student’s choice of applied teacher will be taken into consideration but final assignment resides with the Director of the School of Music.

Lessons

Students registered for 4 s.h. courses receive 50-minutes of individual instruction and one 50-minute seminar weekly; they are required to practice three hours daily. Students registered for 2 and 3 s.h. courses receive 50-minutes of individual instruction and one 50-minute seminar weekly; they are required to practice two hours daily. Students registered for minor-level
lessons receive individual instruction for 30 minutes each week and are required to practice one hour daily.

If a student misses more than three lessons in any semester, no credit will be given in applied lessons. Lessons missed due to legal holidays or school closings will not be rescheduled. In the case of prolonged student illness, the lessons may be rescheduled at the discretion of the applied teacher.

Recitals
Recognizing that performing for an audience plays a vital role in musical and artistic growth, the Dana School offers its students many opportunities to perform in public as a way to foster that development. Attendance at 30 recitals is mandatory in the first two years.

Convocation
The Assistant Director of the School arranges weekly programs of lectures and student and faculty performances. Attendance at 36 convocations is recommended in the first two years and required for degree completion.

Young Artist Competition
An annual concert by the Dana Symphony Orchestra features student soloists chosen by competition.

Dana Young Scholars Award
Dana Young Scholars Award celebrates student research in music. The competition is open to all graduate students as well as undergraduate students, at the sophomore level or higher, who are pursuing a music degree in the Dana School of Music.

Degree and Non-degree Recitals
In partial fulfillment of graduation requirements, each candidate for the Bachelor of Music degree must present a senior recital. Performance majors must present a half-hour recital their junior year and a one-hour recital their senior year. Composition majors must present 75 minutes of music, and music education majors a half-hour recital of music. Outstanding students may present non-degree recitals, subject to certain conditions; for more information, students should talk with their studio faculty. Student recitals should include a varied and balanced repertory; preparation of a printed program and program notes, and consideration of performance aspects such as attire, stage deportment, and marketing to an audience. No later than 21 days prior to the projected recital date, a recital hearing will be held. During that time, a student who plans to present a degree recital must be prepared to perform the recital program for faculty approval.

Examinations
During examination week of each term, performance faculty members convene to determine if students may proceed to the next higher proficiency level of applied study. Frequency of required examinations differs among the various performance areas (for specifics, consult the syllabus of the performance area concerned). Transfer students are examined at the end of their first or second term of study, as established by the individual performance area. Students presenting an approved degree recital may be granted a waiver of examination for the term of the recital. Students who have earned a grade of C or lower, or with a grade of PR, may be retained in the same proficiency level. Students who fail to meet the standards of the examining faculty may be required to reduce the number of credits for which they register in subsequent terms or withdraw completely from the course sequence.

To meet certain needs, each applied area (e.g., keyboard, brass, strings) may vary the above requirements. For details, consult with the appropriate area coordinator.

For more information, visit the Dana School of Music (http://www.ysu.edu/academics/college-creative-arts-and-communication/dana-school-of-music/).

Ensembles
There are two types of ensembles in the Dana School of Music:

- Large ensembles
- Chamber ensembles
