Curricular

FOR ALL MUSIC MAJORS

Acceptance into a performance area is contingent upon an audition (http://www.ysu.edu/academics/college-creative-arts-and-communication/dana-school-of-music/admission/). At the discretion of the applied instructor and Director of the School of Music, a student who does not qualify for major-level lessons (e.g., PIAN 1501, FLUT 1501) may take the relevant minor-level lessons (e.g., PIAN 1500A, FLUT 1500A).

After an assessment of skills by members of the faculty, advanced standing may be granted tentatively (e.g., PIAN 1500A, FLUT 1500A). At the discretion of the applied instructor and Director of the Dana School of Music, with priority given to full-time music majors and music minors participating in major ensembles.

APPLIED LESSONS

Assignment of students to teachers for applied music lessons is made by the area coordinator in consultation with the Director. Requests for change of teacher should be addressed to the coordinator in writing. To the extent possible, a student's choice of applied teacher will be taken into consideration, but the final assignment resides with the Director of the School of Music.

Students registered for 4 s.h. courses receive 50-minutes of individual instruction and one 50-minute seminar weekly; they are required to practice three hours daily. Students registered for 2 and 3 s.h. courses receive 50-minutes of individual instruction and one 50-minute seminar weekly; they are required to practice two hours daily. Students registered for minor-level lessons receive individual instruction for 30 minutes each week and are required to practice one hour daily.

If a student misses more than three lessons in any semester, no credit will be given in applied lessons. Lessons missed due to legal holidays or school closings will not be rescheduled. In the case of prolonged student illness, the lessons may be rescheduled at the discretion of the applied teacher.

RECATALS

Recognizing that performing for an audience plays a vital role in musical and artistic growth, the Dana School offers its students many opportunities to perform in public as a way to foster that development. Attendance at 30 recitals is mandatory during the first two years of study.

YOUNG ARTIST COMPETITION

An annual concert by the Dana Symphony Orchestra features student soloists chosen by competition.

DANA YOUNG SCHOLARS AWARD

Dana Young Scholars Award celebrates student research in music. The competition is open to all graduate and undergraduate students, at the sophomore level or higher, who are pursuing a music degree in the Dana School of Music.

DEGREE AND NON-DEGREE RECITALS

In partial fulfillment of graduation requirements, each candidate for the Bachelor of Music degree must present a senior recital. Performance majors must present a half-hour recital their junior year and a one-hour recital their senior year. Composition majors must present 75 minutes of music, and music education majors a half-hour recital of music. Outstanding students may present non-degree recitals, subject to certain conditions. For more information, students should talk with their studio faculty. Student recitals should include a varied and balanced repertory, preparation of a printed program and program notes, and consideration of performance aspects such as attire, stage deportment, and marketing to an audience. A minimum of 21 days prior to the projected recital date, a recital hearing will be held. During that time, a student who plans to present a degree recital must be prepared to perform the recital program for faculty approval.

EXAMINATIONS

During examination week of each term, performance faculty members convene to determine if students may proceed to the next proficiency level of applied study. Frequency of required examinations differs among the various performance areas (for specifics, consult the syllabus of the performance area concerned). Transfer students are examined at the end of their first or second term of study, as established by the individual performance area. Students presenting an approved degree recital may be granted a waiver of examination for the term of the recital. Students who have earned a grade of C or lower, or with a grade of PR, may be retained in the same proficiency level. Students who fail to meet the standards of the examining faculty may be required to reduce the number of credits for which they register in subsequent terms or withdraw completely from the course sequence.

To meet certain needs, each applied area (e.g., keyboard, brass, strings) may vary the above requirements. For details, consult with the appropriate area coordinator.
