The department also offers eight (8) minors in several emphasis areas.

In each undergraduate area and certificate program, a grade of ‘C’ or better must be received in each required Criminal Justice course.

A graduate program is also available via two methods—traditional face-to-face as well as 100% online both leading to the Master of Science degree in Criminal Justice. Refer to the Graduate Catalog for details.

Admission Policy

Students wishing to transfer into the Department of Criminal Justice and Consumer Sciences must have a cumulative GPA of at least 2.0. Note: individuals with a felony, drug, and/or domestic violence conviction will experience difficulty gaining employment in the criminal justice and forensic sciences or forensic science field. Students with misdemeanor convictions should seek advice from an advisor in the Criminal Justice and Consumer Sciences program. Students with juvenile sex offense convictions should also seek advice.

Retention Policy

The Department of Criminal Justice and Consumer Sciences expects its majors and students enrolled in its courses to engage in legal, ethical, professional, and civil behavior which respects the rights of all persons. Disruptive and inappropriate behavior (as defined in department, college, or University policy) may lead to removal from, or non-acceptance into, the department as a major or as an enrolled student in one of its courses. YSU requires a 2.0 overall GPA in order to graduate.

For more information, visit the Department of Criminal Justice and Consumer Sciences.

Police Academy and Internships

YSU's Criminal Justice and Consumer Sciences department now offers a full-service police academy, Basic Peace Officer Training Academy. Admission to the academy is open to all qualified applicants who meet admission standards of YSU and the Ohio Peace Officer Training Commission. All instructors in the Academy are certified by the Ohio Peace Officer Training Commission and meet all of the requirements to teach in the Basic Police Academy. YSU students who successfully complete the Academy will receive 16 semester hours of credit and a letter from the Ohio Peace Officers Training Commission that will qualify them for certification upon being commissioned. The new curriculum consists of a minimum 550 hours of training. Application packets can be picked up at the Academy Office, Cushwa Hall Room 2361.

YSU's Criminal Justice and Consumer Sciences has an internship experience that provides students with an opportunity to integrate academic studies with the daily operation of a Criminal Justice agency. Internships also foster the development of networking relationships with practitioners who can assist in procuring future employment. Certain criminal convictions may prohibit students from being eligible for an internship experience. Student interns register for 3 to 12 semester credit hours. Each credit hour requires approximately 45 on-site hours. This program is for seniors. Students can enroll in the Police Academy or an internship, but not both.
