## **BACHELOR OF ARTS IN GEOGRAPHY-GIS/RS TRACK**

| COURSE              | TITLE   | S.H. |
|---------------------|---|------|
|                     | IREMENT -STUDENT SUCCESS  |      |
| YSU 1500            | Success Seminar   | 1-2  |
| or SS 1500          | Strong Start Success Seminar  |      |
| or HONR 1500        | Intro to Honors   |      |
| General Education   | •   |      |
| ENGL 1550           | Writing 1   | 3-4  |
| or ENGL 1549        | Writing 1 with Support  |      |
| ENGL 1551           | Writing 2   | 3    |
| CMST 1545           | Communication Foundations (Mathematics<br>requirement)  | 3    |
| Mathematics requi   | irement   |      |
| STAT 2601           | Introductory Statistics   | 3    |
| or MATH 2623        | Quantitative Reasoning  |      |
| or STAT 2625        | Statistical Literacy and Critical Reasoning   |      |
|                     | categorized in more than one knowledge domain.<br>be used once within the General Education model.                                      |      |
| Arts and Humaniti   | es (6 s.h.)   | 6    |
| Natural Sciences (  | 2 courses, 1 with lab) (6-7 s.h.)   |      |
| GEOG 1503           | Physical Geography (required for major)   | 3    |
| Natural Science el  | ective  | 4    |
| Social Science (6 s | s.h.)   |      |
| GEOG 2626           | World Geography   | 3    |
| or GEOG 2640        | Human Geography   |      |
| Social Science elec | ctive   | 3    |
| Social and Persona  | al Awareness (6 s.h.)   | 6    |
| Foreign Language    | Requirement   |      |
| FNLG 1550           | Elementary Foreign Language   | 4    |
| FNLG 2600           | Intermediate Foreign Language   | 4    |
| MAJOR REQUIREN      | /IENTS  |      |
| Grade of C or bette | GEOG courses must be at the 3700-level or above.<br>er is required. Courses cannot be taken CR/NC and<br>ards both the major and minor. |      |
| GEOG 1503           | Physical Geography  | 3    |
| GEOG 2611           | Geospatial Foundations  | 3    |
| GEOG 3701           | Introduction to Geographic Information Science  | 3    |
| GEOG 3702           | Introduction to Remote Sensing  | 3    |
| GEOG 4890           | Geography Capstone  | 3    |
|                     | ollowing courses (3 s.h.):  | 3    |
| GEOG 2626           | World Geography   |      |
| GEOG 2640           | Human Geography   |      |
|                     | y - Select one course from the following (3 s.h.):  | 3    |
| GEOG 3713           | Geography of South America  |      |
| GEOG 3715           | Geography of Middle America   |      |
| GEOG 3717           | Geography of Europe   |      |
| GEOG 3719           | Geography of the United States  |      |
| GEOG 3721           | Geography of Ohio   |      |
| GEOG 3750           | Topics in Regional Geography  |      |
| GEOG 5850           | International Area Study  |      |
|                     | from the following (3 s.h.):  | 3    |
| GEOG 4801           | Advanced Geographic Information Science   | J    |
| GEOG 4801           | Advanced Geographic Information Science   |      |
|                     | nal courses from the following (6 s.h.):  | 6    |
| Sciect two aduition | ital courses from the following (0 s.n.).   | 0    |

| 0500 0710                              | There are Man Dealing and Ormahalization                     |        |
|--|--|--------|
| GEOG 3712                              | Thematic Map Design and Symbolization                        |        |
| GEOG 3775                              | Field Methods in Geography                                   |        |
| GEOG 3781                              | GIS Applications for the Social Sciences                     |        |
| GEOG 3782                              | GIS Applications for the Natural Sciences                    |        |
| GEOG 4801                              | Advanced Geographic Information Science                      |        |
| GEOG 4802                              | Advanced Remote Sensing                                      |        |
| GEOG 4825                              | Geography Internship   |        |
| GEOG 4840                              | Seminar in Geography   |        |
| GEOG 5812                              |  |        |
| GEOG 5820                              | Directed Research in Geography                               |        |
|  | EOG course at the 3700-level or higher                       | 3      |
|  | pport Courses (12-13 s.h.):                                  |        |
| CSIS 1590                              | Survey of Computer Science and Information Systems           |        |
| CSIS 1595                              | Fundamentals of Programming and Problem-Solving              |        |
| CSIS 3722                              | Development of Databases                                     | 3      |

|  | Semester Hours  | 14      |
|  | Total Semester Hours  | 120-122 |

## Learning Outcomes

Geography majors, upon fulfilling the requirements of the major, will:

- Demonstrate understanding of the fundamental themes of human and physical geography: region, movement, human/environmental interaction, landscape, and place.
- Demonstrate understanding of spatial patterns and processes in the human and physical environment.
- Effectively use, analyze, and interpret maps and other graphic representations of geographic information.
- Be proficient in geographic methods and techniques such as cartography, GIScience, remote sensing, and field methods.
- Effectively communicate geographic information in written and oral forms.
- Complete a research proposal that requires synthesis of relevant literature and development of a viable geographic research project.

In addition to the above, students completing the GIS/RS Track or a Certificate in Geospatial Science and Technology will:

 Demonstrate proficiency in one or more applications of geospatial technology: geographic information systems, global positioning systems, and remote sensing.
