MINOR IN HISTORY

The History Minor offers students a meaningful introduction to the methods and content of the field. Courses emphasize skills transferable to a wide variety of applications and career choices, including critical thinking, problem-solving, source and data analysis, and presentation of findings. By providing context and insight into human social development over time, the History Minor makes a perfect complement to a wide range of majors, including those in the STEM and professional fields.

COURSE	TITLE	S.H.
HIST 1511	World Civilization to 1500	3
or HIST 1512	World Civilization from 1500
