

POLITICS AND INTERNATIONAL RELATIONS / RIGELHAUPT PRE-LAW CENTER

The program of Politics and International Relations is housed on the fourth floor of DeBartolo Hall. The professors who make up the program are considered experts in their fields and are often quoted in regional, national, and international publications.

In addition to the Political Science major, students can choose to focus on two additional areas: Public Management or Foreign Affairs. When receiving their degree, students will be given a certificate by the department certifying that they have completed either the Foreign Affairs or the Public Management track described in this Undergraduate Catalog. Four areas of study are offered as minors.

Politics and International Relations includes many programs and student organizations. The Urban Internship Program, Peace and Conflict Studies, the Global Education Program, and the Columbus Internship Program offered in conjunction with the State Legislature are just four examples of curricular programs. An annual Law Day is organized by the program faculty, which brings in Law School representatives from throughout the country to YSU to discuss admission criteria and answer questions. The program also prepares a Moot Court team each year, which is nationally rated and competes in regional and national tournaments sponsored by the American Collegiate Moot Court Association.

The program is also home to Alpha Alpha Rho, YSU's local chapter of Pi Sigma Alpha, the National Political Science Honor Society.

For more information, please contact the Department of Humanities and Social Sciences at (330) 941-3456 or call the program offices at (330) 941-3436.

Pre-Law

Pre-Law Advisor: Dr. Paul Sracic

Pre-Law advisement is available in the Rigelhaupt Pre-Law Center to acquaint students with the various fields of legal practice, which require specialized undergraduate study, and to help students prepare for the law school entrance examination (LSAT).

Law school admission standards generally require an undergraduate point average of at least 3.00 and placement above the 50th percentile in the Law School Admissions Test, which is designed to measure capacity for analytic thought and for precision in the use of language. Regional and national law schools may have more rigorous requirements. Interested students are advised to visit the Law School Admission Council's (LSAC) website.
