The Office of Admissions is open on weekdays and selected Saturdays. Please call the numbers above or visit the website for times. Campus tours are available Monday through Friday and on selected Saturdays. Tours can be scheduled by calling the Admissions Office (<https://cms.ysu.edu/administrative-offices/admissions/undergraduate-campus-visits/>) or by scheduling on-line.

Tours are best scheduled a week or more in advance, but you are welcome to visit the YSU campus and stop in the office any time without an appointment. If you schedule ahead, we can arrange free parking; otherwise, visitors can park in the F-1 (University Plaza) lot across from the Sweeney Welcome Center for a nominal fee that covers parking for a full day.

Admission to the University does not guarantee admission to every program. Some programs within the University have separate admission standards that must be met before a student may enroll in that particular program. Developmental courses are available to assist in satisfying scholastic deficiencies. Those students who lack high school subjects required by the various colleges within the University may be admitted with the understanding that these courses will be completed as soon as possible and no later than the end of the college sophomore year.

Academically qualified 7-12th grade students may apply and enroll in courses prior to high school graduation through the College Credit Plus (CCP) program. For more information, visit the CCP website (<https://ysu.edu/ocat/college-credit-plus/>) or scroll down to Early Enrollment Opportunities.

## Admission With Conditions

Students may be admitted to YSU with conditions under certain circumstances. Please see Conditional Admission for more information.

## State Residency Status

Place of residence for admission and tuition purposes will be determined at the time of admission or readmission by the Office of Admissions on the basis of the residency rules stated in the Ohio Revised Code (<http://codes.ohio.gov/oac/3333-1-10/>) and from the information supplied on the "Application for Admission" or the "Undergraduate Application for Readmission" form.

If at any time you have questions about your appropriate classification, you should immediately bring it to the attention of the Office of Admissions for review. Students requesting Ohio residency are required to complete a State of Residency Verification form, available by request from the Office of Admissions, and provide additional supporting documentation. A change to resident status cannot be made retroactive if supporting documentation is received after the first day of the requested semester.

## Residency Status Appeal

After the Office of Admissions makes its determination, a decision will be sent in writing to the student. If a student wishes to appeal the decision, she or he can submit an appeal form to the Residence Classification Board. Such reviews occur within two weeks of the request, if possible. The Residence Classification Board's appellate decision is final.

Please see Ohio Residency (<http://catalog.ysu.edu/undergraduate/general-information/academic-policies-procedures/ohio-residency/>) of this *Undergraduate Catalog* for the complete text of the Ohio Department of Higher Education residency criteria.

## Application Fee

A non-refundable application fee of \$45 is required unless the applicant is a former YSU student, participated in the YSU College Credit Plus (CCP) program or those who have served or are currently serving in the Armed Forces of the United States. Current high school students, who are eligible for an application fee waiver, should request to have their school counselor submit the appropriate form to the Admissions Office.

Students admitted to the University may have their high school records evaluated by the college in which they are enrolled. Since such coursework may vary depending on the college and degree requirements, students should check with advisors as to the academic expectations that need to be met.
