Center for Student Progress

Academic Coaching Services
The Center for Student Progress (CSP) Academic Coaching Services offers professional academic coaching to assist students on a one-on-one basis with strategies for college success. An academic coach is your go-to person for college success. Coaches partner with you to help you understand the "why" and the "how" of learning. Together, you and an academic coach can figure out what's holding you back from being successful and create better study methods to move you ahead. A coach can also help you tackle common academic concerns like managing your time, reducing procrastination, setting goals, performing better on tests, easing test anxiety, and changing your mindset.

Office of College Access and Transition
The Office of College Access and Transition (OCAT) ensures students have the resources and support they need to prepare for, transition to, and graduate from college.

OCAT’s Access programs focus on high school students. The College Credit Plus (http://cms.ysu.edu/administrative-offices/ocat/college-credit-plus) program offers dual enrollment to college-ready high school students. Academic Achievers (https://ysu.edu/upward-bound/academic-achievers) and Upward Bound (https://ysu.edu/upward-bound) are intensive programs focused on students at Warren G. Harding and Youngstown City Schools, respectively.

OCAT’s Transition services target first-generation and multicultural students including African American, Hispanic, Asian American, and Native American students, and students admitted with restrictions. Our staff supports students through the Penguin Ally Collective (PAC). It is a holistic approach to mentoring and supporting student success. Targeting first generation students of color, PAC matches incoming freshmen with faculty and staff who serve as mentors or allies, and meet 1:1 to talk over goals, help with the adjustment to college, and solve challenges common to first year students. In addition to 1:1 mentoring, PAC students will be matched with an Ally Circle (a small group of other incoming freshmen with similar interests) for group mentoring and activities.

- Academic support and Learning Communities
- Mentoring through the Penguin Ally Collective
• Workshops and transition programming
• Campus and community referrals and connections
• Support and resources for minority students
• Summer Bridge and Bridge and Beyond
• College Tech Prep

Maag Library
The William F. Maag, Jr. Library supports learning at YSU by providing facilities, resources, and instruction to meet faculty and student needs. The six-story building is at the heart of campus and provides a welcoming environment for those who need research materials, research help, or just a comfortable space to study. Study spaces throughout the library offer diverse seating options, mobile white boards, and power towers for charging mobile devices. Individual study rooms can be checked out and the 4th floor houses two group study rooms with interactive media. Floors 3 & 4 of the library are for group study and floors 5 & 6 are for silent study. A family study room is available where student parents can study while being able to supervise their children.

Maag Library is a member of OhioLINK, a group of 120 Ohio college and university libraries who collaborate to provide access to print and electronic resources essential to student academic success. Over 46 million items are available for request through OhioLINK. The library provides onsite access to over 750,000 items, including books, journals, music scores, maps, microforms, CDs, DVDs, etc. Items can be located through MaagNET, the library’s online catalog. Materials may also be requested from other OhioLINK institutions to be sent to Maag for checkout. The library also provides many textbooks, which are available for 3-hour checkout. Over 200 research databases are available to YSU students, faculty, and staff. Database access is provided through the library website (http://www.maag.ysu.edu), and when off campus, users must authenticate with their name and YSU ID number. The research databases cover a wide variety of disciplines and provide access to scholarly, trade, newspaper, and popular sources of information.

The Reference Room on the main floor provides computer, printing, and scanning access as well as research help. Librarians are available for in-depth research help or questions can be asked through the Ask A Librarian email service. Librarians teach library instruction classes in their respective subject areas to help students and faculty learn how to conduct research and navigate the research databases.

The 3rd floor contains the Maag Cafe and a group study area that provides an open and collaborative learning space with computer access, a smart TV viewing area, listening stations, podcast booths, and a Verb table that supports technology integration from laptops to a monitor. The 3rd floor is also home to the Microforms Center where microfilm and microfiche can be viewed, printed, and digitally saved.

Archives & Special Collections is located on the 5th floor and serves as the official repository for the historical records of YSU and also as an archival repository for historical materials relating to the history of Youngstown and the Mahoning Valley. The Melnick Medical Museum collects, preserves, and
interprets the history of medicine, especially as it relates to Youngstown and the Mahoning Valley.

Government documents are located on the 6th floor. Maag is a Federal Depository Library and regularly receives new government publications, including books, maps, pamphlets, CD/DVDs, etc. Most government publications are online and available through MaagNET and the OhioLINK Library Catalog.
